As one of the most **successful Colleges in the UK**, we are renowned nationally for our **outstanding results, friendly and supportive culture** and focus on **learners' needs**.

We are extremely proud of our high academic standards, our outstanding facilities and our dedicated staff which make Runshaw what it is today – a highly successful, wresponsive and quality-driven organisation.

During the last 10 years, with the aid of some government grants, we have invested over £25m in improving our buildings and facilities and believe that we have some of the finest facilities in the region.

Board members (Governors) are responsible for setting the strategic direction of the College and ensuring that the organisation is robust and meets the needs of its stakeholders by holding the senior executive to account for the delivery of agreed aims and objectives.

- **Challenge and constructively engage in debate**
- **Distinguish between governance and management (strategic and operational)**
- **Maintain discretion and confidentiality**

If you have an interest in shaping our young peoples' future and can volunteer some of your time, this voluntary role with Runshaw College offers professional rewards. Working with us is a proven positive step for longer term career development and immediately adds a new dimension to your CV.

As a College Governor your insight, experience and ideas will widen the perspective of our Boardroom. We are keen to involve people of all ages and cultural backgrounds.
