BTEC Level 3 Diploma in Sport

Welcome to Sports at Runshaw College. Throughout this course, students will have the chance to use some of the department's excellent facilities, including the 3G pitch, Sports Halls and Fitness Suite.

Students on this course will experience a wide and varied method of assessments to support their individual learning. Tutors fully support students both within college and out of college via the college's Moodle site. This course has been designed to enable students to progress through a number of pathways. They do this primarily through continuing their academic progression onto Higher Education, or to explore the opportunity of employment. There are a variety of units that allow students to choose their particular route. Students will also undertake a 5 day placement within an area of interest (where applicable).

Guest speakers are also invited into the department from industry and Higher Education to support the student's pathway.

If you wish to progress into teaching, sports coaching or working within the fitness industry, you will gain some fantastic experience coaching a variety of ages and abilities on this course.

All students take part in our annual induction tasks that includes team building activities both on and off the college campus. This is a great opportunity for students to develop friends who they will study with on the course. Some of our students are also involved in representing the college in various sports in both regional and national fixtures each week as part of their Sports Academy time table.

If you enjoy sport, and are looking to enhance your future chances of either employment or higher education in the sport sector, choose Sports at Runshaw.

Entry Requirements:

A minimum of 5 x Grade 4s, including English & Maths.
