Level 2 Sport

BTEC Level 2 Sport

This is an exciting Level 2 course for Sport where students will be able to access a range of subjects linked to sports science, leadership, and coaching.

As part of this one year course students could have the chance to work with local schools delivering sports activity sessions as well as accessing a week long work experience placement for the most gifted and talented.

Students will have the chance to use some of our outstanding facilities including our 3G pitch, Gym, and Sports Halls. There is also the opportunity to access additional qualifications in 1st aid and community sports leadership.

Students will be assessed in a variety of methods that could include interviews, presentations, report writing and essays.

All students will take part in our annual induction process that includes team building activities, trips and guest speakers. Learners on the course will also get the opportunity to work towards leadership and coaching qualifications. This course the course is designed to allow learners to be able to gain experience of work to benefit their progression opportunities.

This is a varied and interesting course that combines academic subjects such as sports injuries and anatomy with practical subjects such as running sports events and practical sport. Typically students enjoy practical sports such as table tennis, badminton and team sports and could access climbing or golf as part of the course or with our enrichment team.

There is something for everyone on this course that is aimed to develop academic, sporting, and leadership skills in readiness for progression into employment or onto further study at Level 3.

Entry Requirements:

A minimum of 4 x Grade 3s, please note you will also resit your Maths & English if they are not a 4 or above.

What's great about this course?
