Supporting Teaching and Learning

If you are looking for a rewarding career, then training to become a Teaching Assistant is exciting, fulfilling and provides the unique opportunity to help support and inspire young children at the very start of their educational career.

Duration

35 weeks part-time. One evening per week.

Price

£2,225* FREE subject to eligibility.

Learning Method

This course is currently fully delivered in the classroom which is supported by weekly practice in placement. This is under regular review.

The course is delivered through a mixture of College based classes, workshops and practical experience in the work setting. In addition to College based study, it is expected that you will undertake independent research and directed study.

Entry Requirements

You should have GCSE Grade A*-C/Grade 9-4 in Mathematics and English, or an equivalent qualification.

This course is a progression route for those who have passed a Level 2 qualification (or above) or have a minimum of 1 years experience in assisting pupils in learning environments. You will be required to commit to and complete a practice placement for the duration of the course with a minimum attendance of 6.5 hours per week. You should arrange this placement yourself prior to the start of the course.

What will I learn?

By combining practical experience with theoretical learning to encourage both understanding and the development of professional skills, this course supports the current Government initiative to develop the role of school support staff.

Placement experience can be gained within primary, secondary or sixth form settings and maybe in a voluntary or contractually employed capacity.

Course units

16 units to complete including...

Support assessment for learning

Support English and maths skills

Engage in personal and professional development

Understand how to Safeguard children and young people

Why should you study at Runshaw?

- Access to Social Sciences

What our students say

The tutors were amazing and the course gave me an abundance of support and knowledge that I could implement into practice when supporting children as a TA. It inspired me to continue my education at University and I am now completing a Degree in Psychology.
