Customer Service Specialist Level 3

Overview, the main purpose of a Customer Service Specialist is to be a 'professional' for direct customer support within all sectors and organisation types. You are an advocate of customer service who acts as a referral point for dealing with more complex or technical customer requests, complaints, and queries. You are often a first point of call for complicated or ongoing customer problems.

As an expert in your organisation's products and/or services, you share knowledge with your wider team and colleagues. You gather and analyse data and customer information that influences change and improvements in service. Utilising both organisational and IT systems to carry out your role. This could be in many types of environment including contact centres, retail, web chat, service industry or any customer service point. We introduce all our learners to insight of customer service. We also have bespoke in house training tailored made to employer needs.

This is a 15 month course, + 4 months End Point Assessment (EPA) which is delivered in the work place, you will be assessed through written work, verbal discussion, observation and an end point assessment at the end of your Apprenticeship. While you are completing your Apprenticeship you will need to complete 'off the job training' this is time spent in working hours gaining new knowledge additional to your usual job role, this time is to take place within your contracted hours and will be agreed with your employer.

Optional units - depending on job role:

1. Team leading
2. Retail operations
3. Planning and implementation of a sales campaign(s)
4. Marketing management
5. Use of social media in own organisation
6. Project management
7. Coaching and mentoring – exam

Entry Requirements:

GCSE English and maths at A*-C / 9-4 or equivalent.

If you do not hold the necessary grades, you may have the opportunity to complete a functional skills course alongside your apprenticeship. Suitability will be determined following an initial assessment and diagnostic.
