A Level Law

At Runshaw we have great industry links and our students gain valuable work experience at local and national firms including Allen & Overy.

To complement their studies at Runshaw, students are offered numerous opportunities to develop their understanding and knowledge of law.

Our annual London residential includes visits to the House of Parliament, Royal Courts of Justice, the famous Old Bailey, Lincolns Inn, and the London Dungeons! Furthermore, students can join the optional weekly Law Academy to improve legal skills, act as an advocate, mentor school pupils and take part in competitions; all opportunities that enhance their CV, including Mini-Vac schemes and work experience with local firms of solicitors.

If students wish, they can try their hand as a barrister or witness in the National Bar Mock Trial Competition and the College's Moot Competition. They can also join the non-competitive, student run Mock Trial Club.

Our team were Bar National Mock Trial Competition Finalists in 2017, 2019 and 2020 which took place in the Royal Courts of Justice, London and the Court of Session, Edinburgh, where we were awarded Best Overall Advocate. Students have also won the most recent competition in 2022.

The college has its own fantastic courtroom with gowns and wigs for students to practice their advocacy skills!

1:1 support is offered for all university law entrants, including LNAT and Oxbridge preparation classes to enhance chances of securing a university place.

Entry Requirements:

A minimum of 5x Grade 5s, including English.

What's great about this course?

Bar National Mock Trial competition
Regional Winners for the last three years
